

Open Hours

The British Columbia Aviation Museum is open to the public on a four-day-a-week basis until further notice. The Museum is open Thursdays through Sundays between the hours of 11:00 am and 3:00 pm.

Due to ongoing Covid-19 concerns a number of exhibits will be unavailable. These closed exhibits include the Canadair CT-133 Silver Star, and the Children's Play Area.

During this period of limited open hours our volunteers continue to make numerous improvements to the Museum. These changes include updating displays, and renovating the Gift Shop and washrooms.

Visit and see what's new!
